

CUSTOMSLEEVES

IDEAL FOR

Anyone who has earphones
Musicians
Mp3-player users
Joggers
Two way communication devices

CUSTOM SLEEVES

Bachmaier In-Ear Earphones:

A lot of bass without overdriving or neglecting the midrange and high frequency range

Particularly suitable for anyone who is looking for something better than a standard headset

*Ideal for connecting to your smartphone, tablet or music player
Fits any ER hearing protection worldwide*

Simply remove the filter, click in the headphones and enjoy your music

MATERIAL:

Medical Grade Silicone

Comfortable, pliable and lightweight however silicone does have a shorter life-span compared to acrylic

With a standard hypo allergenic coating for silicone

ADDITIONAL:

User needs to send their own earphones or in-ear monitors along with their ear impressions

In addition Bachmaier earphones can be supplied

COLOURS

*Marble allows you to choose 2 or 3 colours to mix
